Being a Student Member

At Inverclyde Darts Hub we want you to enjoy your sessions as you practice and improve your darts game.

To enable this, there are a few things we'd like you to know:

- It's important to follow our Code of Conduct at all times.
- You are encouraged to follow the Dart Etiquette we've provided.
- If you ever have any concerns or complaints, you should feel comfortable to approach any IDH employee.
- You can do this during a session or after a session has finished.
- If you feel that someone is behaving inappropriately towards you, we would encourage you to do one or more of the following:
 - Tell a friend.
 - Tell a IDH employee.
 - Tell an adult you feel you can trust.
 - Write your concern down and leave it in the hub welcome area.
 - Tell your parent or guardian.
- Remember that the purpose of challenge routines is for you to improve **YOUR** game. It is not a competition against other Academy members.
- Support other academy members – be positive about their games, help them when they need it and stick together.
- Be inclusive when new members join. Introduce yourself and include them in your groups and games.
- Fully participate, try your hardest and listen to the IDH employees.
- Understand that occasionally you'll be off your game, which could be for any reason. Recognise that this happens, understand it's not a bad thing and resolve to try again.
